**TO:** The Commission

**FROM:** David Gilbert, Administrative Law Judge

**DATE:** April 27, 2010

**SUBJECT:** DSLnet Communications, LLC

Petition for Emergency Relief to protect Petitioner's Annual Report from disclosure for not less than two years in order to protect highly proprietary information.

**RECOMMENDATION:** Enter Order dismissing docket.

---

Petitioner, a telecommunications carrier, requests an Order allowing the confidential and proprietary treatment of its 2009 Annual Report for two years. However, that same relief was already awarded by the Commission in Docket 10-0170, on March 24, 2010. Apparently, when Petitioner filed an amended petition - but failed to identify or caption it as an "amended" document or serve it on this Administrative Law Judge - a second docket (Dckt. 10-0170) was opened and assigned to another Administrative Law Judge, who completed the case. Accordingly, I recommend dismissal of this docket as moot.
